GARY MOON
Memorial Interchange Dedication

CONNECTING
SAN BERNARDINO
TO THE
WEST VALLEY
Gary Moon

Served with utmost distinction as the Director of Freeway Construction for San Bernardino Associated Governments (SANBAG) from 1990 to 2003. Throughout his tenure, Mr. Moon was responsible for leading the construction of State Route 210 through Upland, Rancho Cucamonga and Fontana, as well as improvements to Interstate 10, State Route 71 and State Route 60. He was also instrumental in the planning for the widening of Interstate 215, and other transportation improvements throughout the San Bernardino Valley.

Mr. Moon will forever be remembered by friends, family and colleagues for his kindness and fair treatment of staff and co-workers, his willingness to listen and to take action, his creativity and problem solving abilities, his sense of humor and love of horses.

In honor of his life-long commitment to transportation and public service to the Inland Empire and the State of California, the Gary Moon Memorial Interchange was championed by California State Senator Gloria Negrete McLeod and the Moon family.
